Object: FCC certification for MG International remote control for pool alarm.

MG International, as a French manufacturer of pool alarm system, wishes to distribute his product in the USA in order to extend his commercial zone.

TEL007-M (FCC Id: UQJ-070) – the remote control - is a Class 1 MG International remote control for pool alarm that MG international assigned to this market.

As a consequence MG International asks the FCC Part 15 certification for this product.

For MG International: Sebastien Chaussin  
Project Manager
