Object: FCC certification for swimming-pool alarm

MG International, as a French manufacturer of pool alarm system, wishes to distribute his product in the USA in order to extend his commercial zone.

Sensor Espio™ (ESP007-US / FCC Id : UQJ-060) is an Class 1 MG International pool alarm that MG international assigned to this market.

As a consequence MG International asks the FCC Part 15 certification for this product.

For MG International: Sebastien Chaussin
Project Manager
MG International
